Inglese	My work is a long way from my home, nearly 50 miles away. I have to wake up early every morning as I am always in a hurry. There's never enough time for a relaxed breakfast. At exactly 6:00, I get into my car to start the long journey. I usually like driving on the highway more than in the city. During the morning rush hour, though, it's not very enjoyable. The heavy traffic is a little bit annoying
